

Speaker 1:

Having listened to what matters most to you, we will invest in our community with new lido, new health centres, new youth hubs, a new theatre, a new university campus and we will support plans for a new Whipps Cross Hospital.

It's now been over two years since the government promised that they would help by rebuilding Whipps Cross Hospital, and we are presenting our partition to the treasury today, asking them to make good on their promise.

Speaker 2:

We've chosen Waltham Forest to launch our refreshed violence against women and girls strategy because of their innovative approach to this area.

Speaker 1:

I'm really pleased to announce that after scouring the borough, we've selected Low Hall Sports Ground as the preferred location for our new lido. The first in Waltham Forest since 1936.

Speaker 3:

We've expanded our support to help as many people as possible from our job programme, Council Tax Support Reduction to one-off payments for those struggling to make ends meet.

Speaker 4:

I'm very, very thankful United Kingdom for their support.

Speaker 5:

We're focused on how you can get advice and support on your energy bills to keep your home warmer and lower your bills, whilst also reducing carbon emissions.

Speaker 6:

This year we've planted an amazing 8,000 new trees across Waltham Forest.
